Giving back...locally

Budget Storage Team Members adopt local families for the holidays

The holidays are a time when we reflect on our good fortune and look to help those in need. This year the Budget Storage Group decided to allot each facility funds to help a family in their local area. The team members embraced the idea and felt fortunate to be able to provide something special to people in their local community.

Telegraph Budget Storage used their funds to purchase holiday gifts to an adopted family with kids that go to Frank E. Weiss Elementary School in Woodhaven. "This school is where my twins go and they adopted my family for Christmas a couple of years ago when I was ill and not working," said Telegraph Budget Storage manager Alexandra Petras. "I feel fortunate that I can repay the favor," she added.

Like Telegraph, Lakeside Budget Storage adopted a family this holiday season. Manager Raquel Monte contacted Heritage Church, which is located behind Lakeside on Schoenherr in Sterling Heights. "They sponsor many families for the holidays by providing them with food and holiday gifts," said Monte. "We sponsored a family with five kids and two adults."

Ashley Rolo, Manager at America's Budget Storage in Canton teamed up with Volunteers of America to spread some holiday cheer to a local family in need through their Adopt a Family program. Lisa Weese from Portage Budget Storage said their team decided to work with Portage Rotary, of which they are members, to adopt a family in the Portage area and Clarkston Budget Storage manager Karen Schrader is working with Lighthouse of Clarkston to provide holiday gifts to a local family.

*Wishing you a wonderful holiday season and a happy,
healthy and prosperous New Year!*

We would like to express our sincerest appreciation for the trust you have placed in us over the past year and look forward to working with you in 2019 and beyond!

Fondly,

The Team at your Budget Storage Facility
